Requests are approved based on space available on the session requested, level of the requesting skater, level/speed of the registered skaters, lesson availability of the skater's coach, requesting skater age, and overall session safety. Requests are not approved based on order asked.

Pricing

Returning members will notice a price increase from last year. The new HRM pricing model has led to our hourly fee increasing by about \$50/hr. There are also many significant changes in the overall schedule which lead to many sessions getting the equivalent of extra weeks of skating during the same length season as last year.

All HSC home club members will pay an additional \$40 Skate Canada fee & \$20 Sunsweep fee in addition to the fee listed on the brochure. The price listed for STARSkate Development & CanSkate includes these fees.

Payment

All STARSkate sessions (0-11+pts) can pay in up to 4 installments. All STARSkate Development skaters can pay in up to 3 installments. Payment can be done online with a credit card, by e-transfer following the instructions on the bottom of your invoice, or by cash or cheque.

Parent & Skater Code of Conduct

Parents & Skaters are expected to adhere to the Skate Canada & Club Codes of Conduct. The codes will be posted to the HSC website for your review.

Cell Phone Policy

All cell phones are to be dropped off with coaches when skaters enter the rink. They will be kept in a safe, but accessible location. Skaters can access them should they need to check for a parent message, access skating music, video an element they are working on, or other reason approved by their coach.
