### SKATE-UP/DOWN

No skate up/down requests will be accepted. If spaces are open on a session, HSC DoP and Club Coaches will decided what test point level to open the session to and each coach will put forward the skater they think best suits the open spot. Skaters will then be notified if they are being offered a skate up/down session

### OFF-ICE

Off-ice is not "a bonus to on-ice", it is part of the program. Skipping off-ice is no different than leaving an on-ice session half way through. Off-ice is an integral part of safety and skill development. While other activities are great additions to an athlete's training, sport specific skills are taught during off-ice. Please speak to your coach if you are not able to stay for a session.

## **PARENT & SKATER CODE OF CONDUCT**

Parents & Skaters are expected to adhere to the Skate Canada & Club Codes of Conduct. The codes will be posted to the HSC website for your review. Skaters and/or parents who do not adhere to the Codes of Conduct may face disciplinary action from the club and/or section.

## **OFF-ICE SPACE & DRESSING ROOMS**

Off-Ice training spaces and dressing rooms are for skaters *only*. Parents who need to help tie skates should do so as quick as possible. The dressing room is where skaters are encouraged to socialize so they are ready to work while on the ice.

## **PAYMENT**

All STARSkate sessions (0-11+pts) can pay in monthly installments (Apr-June).

Program Assistant credits from Sept.-Feb.20 have been applied to appropriate accounts and can be used towards Spring fees. Credits for Feb.21 onward will be included in Spring CanSkate credits.

Payment can be done online with a credit card, by e-transfer following the instructions on the bottom of your invoice, or by cash or cheque.
